

KilnSitter™ replacement tube assemblies

Orton has the replacement parts to keep your Kiln-Sitter in good working order.

All of our tube assemblies will be made with a bracket that connects the tube assembly to the faceplate. If you have a Model P, LT-3, P-10 or LT-4, bayonet style, we will supply a new base plate along with your new tube assembly.

KilnSitter™ replacement tube assemblies

Ordering replacement tube assemblies is as easy
as 1,2,3

Step 1 – Determine which style you have Type A, Type B or Type C.

Step 2 – Determine the Length of “X” as defined in the pictures

Step 3 - Place your order

Type A - Models K, LT-3K, MFR-J, LT-2J, K-10LT-4k

To order a Type A Tube Assembly, you need to provide the length of "X"

Type A Tube Assemblies
are available in the
following lengths:

6, 6.5, 7, 7.5, 8, 8.5, 9

Orton Part Numbers:

S 6
