BlueBird

- 2 - 10" x 2" bead doors for 20" of high capacity
- Ceramic fiber roof with improved sinusoidal "wavy" elements for longer element life
- Ceramic fiber walls and floor for faster heating
- Plugs into standard 120 v outlet.
- Plastic door handles stay cool.
- Sentry Xpress digital controller
- Glass rod warmer on top increases productivity.
- Rare earth magnets hold the doors open when needed.
- Colorful 28-page kiln instruction manual and a separate controller manual
- TUV tested to UL and CSA standards
