# BlueBird XL

- 2 - 10" x 4 1/2" bead doors for 20" of high capacity
- Ceramic fiber roof with improved sinusoidal "wavy" elements for longer element life
- Ceramic fiber walls and floor for faster heating
- Door gaskets help hold in heat.
- 2" thick doors for extra insulation
- Plugs into standard 120 v outlet.
- Footprint: 25" wide x 19" deep
- Plastic door handles stay cool.
- Glass rod warmer held by rare earth magnets so you can position anywhere on top of kiln.
- Adjustable mandrel holders held by rare earth magnets.
- Colorful 28-page kiln instruction manual and a separate controller manual
- TUV tested to UL and CSA standards
